

GAME-CHANGING EMPLOYEE ATTRACTION & RETENTION STRATEGIES

Manufacturers are experiencing incredible workforce disruptions - Purdue MEP can help!

Through Purdue MEP's vast resources and workplace development experts, our team delivers a hands-on approach to help Indiana manufacturers overcome their employee attraction and retention issues. Our solutions are customized to overcome the specific obstacles you are facing and are designed to produce results with an immediate impact.

Solution options include:

- One-Day Employee Attraction & Retention (EA&R) Action Planning Workshop
- Effective Employee Onboarding
- Frontline and Manager Leadership Training
- Advantages of Collaborative Robotics (Cobots)
- Team Building in Manufacturing
- Culture Building: Vision, Mission, Values, and Strategic Alignment
- IDEA - Inclusion, Diversity, Equity, and Access
- Leading Gen Y & Z
- Training Within Industry (TWI)
- Lean Kaizen Events
- Looking to become a certified expert? Purdue MEP offers an EA&R badge as an add-on to your Six Sigma Green Belt or Yellow Belt training

Customize to fit YOUR needs.

We can provide you with a tailored solution that fits within your culture, that will be sustainable all while being cost-effective.
